For every place we have inserted the language on the stip we need to drop in the language drafted by dave and jess.

Attached are a few more (minor) nits, as well as new intro sentence language to where we've newly quoted the stipulated language. Please let me know if you have questions. Thanks! Jess

Good morning Jess,

We revised the draft NHPA response to comments based on your feedback and have attached it to this email. We included responses to all your bubble comments, and if you have any questions please let us know.

Also attached are the draft transmittal letters to FDEP and the SHPO. As you'll see, these use the same format as the draft transmittal letters to the Tribes.

Once we receive feedback from you and Dave Ross on these letters, we'll address any comments and questions and send to the consulting parties as quickly as possible.

We'll stay posted for your feedback and very much appreciate your support!

Tom
